

Eurocode Evening Lectures – Cork Delegates’ Fee Reduction

As part of Engineers Ireland’s programme to ensure the Irish engineering profession is ready to take advantage of the Eurocodes, we are delighted to announce that all delegates registering to attend the series of 4 introductory lecture evenings on the Eurocodes will receive a €60 discount off the delegate fee of €200 for one of the one-day courses to be delivered in Cork. Please tick below which of the three courses you would like to attend:

Eurocodes EN 1992 Design of Concrete Structures

October 20th Cork International Hotel

Eurocodes EN 1993 Design of Steel Structures

November 5th Cork International Hotel

Eurocodes EN 1997 Geotechnical Design

November 10th Cork International Hotel
