RECORD YOUR CPD

Engineers Ireland has developed a new CPD policy for members. This policy becomes effective on the 1st of January 2017. According to the policy all non-student members are required to undertake and record 35 hours' CPD activities each year. From 1st January 2017, My CPD, an online recording tool, will be available for members to record their CPD activities. For queries contact cpdpolicy@engineersireland.ie.
