About This Event
The application date for the amendments to Part L and Part F of the Building Regulations is 1st November 2019. Consulting engineers need to be aware of the significance of the proposed changes. To successfully deliver NZEB, it is necessary that Part L and Part F work hand-in-hand.

The presentation will cover:

- EPBD and NZEB
- Transitional Arrangements
- TGD L 2019
- New dwellings: Changes and Compliance Examples
- Existing dwellings: Changes
- Major Renovations: Definition, Requirements and Compliance Examples TGD F 2019
- Changes and Compliance Examples
- NSAI Domestic Ventilation Systems Validation Scheme

The Speaker
Emmanuel Bourdin MEng MIEI, Department of Housing, Planning and Local Government
Emmanuel is an Advisor in the Built Environment Advisory Unit of the DHPLG and works on regulations and standards related to Part J, Part L and Part F of the Buildings Regulations for Dwellings. He supports the implementation of the Energy Performance of Buildings Directive and has worked as an engineer for 20 years in the manufacturing and distribution industries of energy management construction products.
