## **Ardnacrusha Hydro Station Site Visit**

**When:** Saturday 24<sup>th</sup> March 2018      **Time:** Tour Begins at 10:30am

**Location:** Ardnacrusha Hydro Plant, Ardnacrusha, Co Clare

GPS: [52.706732, -8.613707](https://www.google.com/maps/place/52.706732,-8.613707)

**Parking:** There is ample parking at the station

**Info:** *Marked as one of the Engineering Milestones of the 20<sup>th</sup> Century, our friends in ESB GWM have agreed to host a tour of the Ardnacrusha Hydro station. The tour will take attendees through the history of the inception of hydroelectric power to the plants electrification in 1927 and all the way to the day-to-day running of the 86 MW Hydro station.*

The tour will close with a short presentation on the activities of the Cork Young Engineers society.

Numbers are limited so this tour is for members only and booking (via the Eventbrite link below) is essential. Those not registered will not gain access to the plant. PPE will be provided.
