

# CV & Career Development Event

- DATE:** **Wednesday 15<sup>th</sup> November @ 6:00pm**  
*(Please arrive @ 5:45pm to facilitate a timely kick-off!)*
- LOCATION:** **Room B228, CIT, Bishopstown, Cork.**
- BOOKING:** Booking is required. Places allocated on first come first served basis. Register your interest by emailing [YES@engineersirelandcork.ie](mailto:YES@engineersirelandcork.ie)

This is a **FREE** event!! **All are welcome!**

- ABOUT:** This event is an ideal chance for students, recent graduates and practicing engineers to gain invaluable advice on the best strategies to begin or develop their careers. Including advice on CV preparation, Interview skills, an overview of the jobs market and tips on job hunting.

*Treasa Morgan* from the *careers office* within *CIT* will discuss best practice when developing a CV and give pointers on preparing for and conducting Interviews.

*Rory Walsh* of *Collins McNicholas Recruitment* will give an overview of the jobs market and tips on job hunting. Rory has over 10 years' experience in recruitment and managing recruitment teams. He specialises in technical appointments within the Pharmaceutical and Biopharmaceutical Industries.

*Chris O'Donnell and Kevin Gibson* of *PM Group* will give a presentation on *PM Group's* Next graduate programme and their careers to date.

Representatives from a number of prominent employers of engineering graduates will also be present to introduce upcoming graduates to their exciting and rewarding graduate programmes.

All of our speakers will be on hand afterwards for networking, offering one to one advice or to answer any questions over complimentary light refreshments!
