

EVENING LECTURE

Fire Engineering Design

Date: Tuesday January 15th 2019

Time: 7.00pm (Tea/Coffee from 6.30pm)

Venue: Rochestown Park Hotel Co. Cork

Speaker: Andrew Macilwraith ME (Cork County Fire & Building Control Dept.)

This presentation will address the key aspects of fire safety legislation together with common on site problems/issues. An introduction to the core elements of fire safety design will also be presented, together with a view of innovative fire resisting construction. The lecture should be of interest to all those dealing with fire safety in both domestic and commercial projects.
