21 Bridges of Cork

DATE: 10:00am, Sunday 2\textsuperscript{nd} September 2012

LOCATION: UCC Main Gate, Western Road.

CONTACT: Colm Murphy  
YES@engineersirelandcork.ie

CONTRIBUTION: Voluntary donations on the day will help support a bursary for an Access student in Engineering at UCC.

NOTES: Please email the above address to confirm attendance. If numbers are large, groups of 15-20 will be formed, each with a guide.

On-street parking is available around UCC, Mardkye Road and the Western Road.

Please adhere to traffic light signals and instructions by the group guide on the day.

SYNOPSIS: This is a social event to provide the engineers of the Cork Region with a networking opportunity. The walking tour of the 21 bridges comprises 5km, taking about 90 minutes to complete. An additional route consisting of a further 8 bridges on the western side of the city is also available (subject to interest) covering an extra 4 km in and around 45 minutes.
